GÜRSEL TONBUL

Hi; I'm the Owner of the Property and the General Manager of the Company.

With 25 years experience in organic farming.

And in olive oil production for 15 years.

I'm always on the other side of the line for any information and collaboration.

General Information

Location: Kusadasi /Aydin (Mid-Agean sea- coast line)

Company Founded: 1995

Organik Farming: Started in 1997. Certification started in 2000. The last 10 years certification body is 'bio inspecta' (no penalty point from the beginning until now)

Controling is from the plantation to the storage and sales labeled.

Number of the trees: 35.000 / 90% for oil, 10% table

The age of the trees: The avarage is around 200 years.

Some goes up to 700-800 (registered herited)

Variety: Memecik for oil, Gemlik for table olives.

TECHNOLOGY

- Until 5 years we used the traditional old stone mill and 3 fases system.
- In 2017 ve converted to OlioMio (Mori-Tem) Italian 2 fases system.
-
- For fitration Paper filtre is being used.
- Only our organic certificated olives from our family owned plantations are being operated for olive oil production in our property.
